AMT'2012

April 18th & 19th, 2012,

Faculty of Sciences Ain Chock, Casablanca, Morocco
Authors are invited to submit their contributions
through the conference website

www.congres-amt.com

The Moroccan Association of Thermal Sciences

&

The Faculty of Sciences Ain Chock

Organize

The 2nd International Conference on Thermal Sciences

AMT'2012

Under the theme:

Energy Efficiency in Industry

April 18th & 19th, 2012

Casablanca, Morocco

AMT'2012

The **Moroccan Association of Thermal Sciences (MATS)** is pleased to announce AMT'2012, its 2nd International Conference on Thermal Sciences, to take place in **Casablanca Morocco** on **18-19 April 2012**.

The Conference main theme is **Energy Efficiency in Industry**.

Publication

The languages of the conference are both **French** and **English**. Papers will be selected for presentation and publication on the basis of a one-page initial abstract (which will be quickly assessed to ensure relevance) followed by a full peer-review of the papers themselves. Details of the submission process may be found on the conference website.

There will be oral and poster presentations of contributed papers and invited keynote lectures, which will be published in a Proceeding Book.

Selected papers will be considered for publication in International Scientific Journals.

Topics

- Heat and Mass transfer
- Energy Efficiency and environment
- Fluid Mechanics
- Renewable Energies
- Energetic and Measurement Techniques

Important dates schedule

One page abstract due	November 15, 2011
Abstract acceptance	November 25, 2011
Full text of paper due	January 5, 2012
Final acceptance	March 5, 2012
Registration deadline And final paper submission	March 16, 2012
AMT'2012	18-19, April 2012

Location

The Conference will take place in the *Faculty of Sciences Ain-Chock* at Casablanca and Mohamed Sekkat university library (<http://biblio.uh2c.ac.ma>) Casablanca is the Moroccan Economic Center (www.casablana.ma). It is connected to the Mohammed V International Airport via train (details on www.oncf.ma).
